

ISBME

Israeli Society for
Biomedical Engineering

The Engine
of Growth for
a Better Life

International Convention Center Haifa | 9 June 2026

PROGRAM AT A GLANCE

08:00-09:00	Registration, Gathering & Exhibition Visit (Foyer)			
	Oren Hall (Clinical Oriented)	Alon Hall (Industry)	Tamar Hall	Rimon Hall
09:00-10:00	Parallel 1: Brain Engineering & Neuromodulation Technologies	Parallel 2: Bio Convergence from Lab to Market	Parallel 3: Biomechanics & Human Performance	Parallel 4: Medical Imaging, Image Processing and Devices
10:00-10:15	Coffee Break (Foyer)			
10:15-11:30	Plenary 1: Opening Session & 2 Keynote Lectures			
11:30-11:45	Short Break			
11:45-12:50	Parallel 5: Novel Cardiovascular Technologies (I)	Parallel 6: Home Care, Telemedicine & Wearable Technologies	Parallel 7: Tissue Engineering & Regenerative Medicine	Parallel Session 8: Optical Technologies and Biomedical Optics
12:50-13:30	Lunch Break & Exhibition Visit (Foyer)			
13:30-13:25	Poster Session (Foyer)			
13:25-14:00	Walk to Plenary Hall			
14:00-15:15	Plenary: 2 Debate: The Leading Future Technologies (Investors / Researchers / Physicians / Hospitals) – 2 Keynote Lectures			
15:15-15:30	Short Break & Exhibition Visit			
15:30-16:30	Parallel 9: Artificial Intelligence & Deep Learning Applications	Parallel Session 10: Startup Parade & Pitch Competition	Parallel 11: Nanotechnology	Parallel Session 12: Novel Cardiovascular Technologies (II)
16:30-16:45	Short Break (Foyer)			
16:45-17:45	Parallel 13: Intensive Care and Emergency Medicine	Parallel Session 14: Go-to-Marker Strategies from Prototype to Market	Parallel Session 15: Biomaterials, Drug Delivery & Immunotherapy	Parallel Session 16: Biomedical Robotics Surgical & Dental Technology
