

ISBME

Israeli Society for
Biomedical Engineering

The Engine
of Growth for
a Better Life

International Convention Center Haifa | 19 October 2026

PROGRAM AT A GLANCE

08:00-09:00	Registration, Gathering & Exhibition Visit (Foyer)			
	Hadas Hall (Clinical Oriented)	Oren Hall (Industry)	Tamar Hall	Rimon Hall
09:00-10:15	Parallel 1: Brain Engineering & Neuromodulation Technologies	Parallel 2: Bio Convergence from Lab to Market	Parallel 3: Biomechanics & Human Performance	Parallel 4: Medical Imaging, Image Processing and Devices
10:15-10:45	Coffee Break (Foyer)			
10:45-12:00	Plenary 1: Opening Session & Keynote Lecture (Oren Hall) *			
12:00-13:15	Parallel Session 5: Optical Technologies and Therapeutic Ultrasound	Parallel 6: Go-to-Market: Lessons from CEO's Experiences	Parallel 7: Novel Cardiovascular Technologies (I)	Parallel 8: Tissue Engineering & Regenerative Medicine
13:15-14:30	Lunch Break, Networking and Poster Visits (Foyer)			
14:30-15:45	Plenary 2: * Future Technologies Leadership Summit (Industry Leaders / Incubator Executives / Haifa Science and Tech Park (Oren Hall))			
15:45-17:00	Parallel 9: Nanotechnology	Parallel Session 10: * Investor Arena 1	Parallel Session 11: Novel Cardiovascular Technologies (II)	Parallel 12: Artificial Intelligence & Deep Learning Applications
17:00-17:15	Coffee Break (Foyer)			
17:15-18:30	Parallel 13: Home Care, Telemedicine & Wearable Technologies	Parallel Session 14: * Investor Arena 2	Parallel Session 15 (until 18:45): Biomedical Robotics Surgical & Dental Technology	Parallel Session 16 (until 18:40): Biomaterials, Drug Delivery & Immunotherapy

*Sessions in Hebrew
